

Storz Fittings

We offer the original Storz fire brigade couplings with a nominal pressure of up to 16 bar in suction / pressure design.

Standard material: aluminium

Further materials: brass and stainless steel

Suction couplings

Article no.	Suction couplings
100113	DN 25
100121	DN 50
100124	DN 75
100127	DN 100

Fixed couplings (inner thread)

Article no.	Fixed couplings (inner thread)
100130	DN 25
100136	DN 50
100141	DN 75
100143	DN 100

Fixed couplings (outer thread)

Article no.	Fixed couplings (outer thread)
100145	DN 25
100147	DN 50
100150	DN 75
100152	DN 100

Blind couplings

Article no.	Blind couplings
100153	DN 25
100154	DN 50
100155	DN 75
100156	DN 100
